## SPORTY AND DYNAMIC

### THE NEW SPECIAL EDITION MAZDA3 AND MAZDA6 TAMURA

Everyone knows the importance of having the right kit. And the new Mazda3 and Mazda6 Tamura special editions from Britain's favourite sports car brand are just that. Offering sports styling, superb handling, pure driving fun and unbeatable value for money, they're all you need for a winning performance on the road.

Both cars come fitted with a striking and exclusive Sports Styling kit as standard. This includes distinctive front and rear sports bumpers, side skirts, rear spoiler and alloy wheels.

But it doesn't stop there: for an even more bespoke finish, the cars also feature special edition Tamura badges, chrome exhaust trim (twin for the Mazda6 Tamura) and front fog lights, as well as a choice of paint colours as standard: Aurora Blue Mica, Galaxy Grey Mica and Crystal White Pearl Mica for the Mazda3 Tamura; Tungsten Grey Mica, Stormy Blue Mica and Silver Contrail Metallic for the Mazda6 Tamura.

## AERODYNAMIC AND SAFE

### STABILITY AND SAFETY GUARANTEED

The aerodynamic rear spoiler, sports bumpers and side skirts of the Sports Styling kit combine to powerful effect, giving the cars an individual and exclusive look. What's more, with both the Mazda3 and Mazda6 Tamura, you are guaranteed great handling, stability and grip – whatever kind of road you're on.

But not only that, the sports specification is backed up by key safety features, which come as standard on both cars. As well as

the integral body strength provided by Mazda's Advanced Impact Distribution and Absorption System (MAIDAS), the Mazda3 and Mazda6 Tamura have an Anti-lock Braking System (ABS) with Electronic Brake-force Distribution (EBD), and no fewer than six airbags.

## COMFORT AND GRIP

NO COMPROMISES, INSIDE OR OUT

With their pure sports credentials and great handling, the cars deliver an exhilarating drive every time you get behind the wheel. This is enhanced by the 16-inch twin-spoke alloy wheels on the Mazda3 Tamura, and the 17-inch, multi-spoke alloy wheels on the Mazda6 Tamura, the wide rubber adding to the cars' traction and grip.

But nothing is sacrificed for performance. The interior is designed for your total comfort and driving luxury. Supportive seats, superb ergonomics and plenty of space for passengers are complemented by an equipment package that includes a CD player with audio steering wheel controls, electric windows and climate control air conditioning.

What's more, the Mazda6 Tamura also comes with a stylish and unique black/blue seat upholstery, sophisticated Piano Black trim inserts and a leather-wrapped steering wheel, gearknob and handbrake lever.
